

Greetings to all Auxiliary Members
From your "We Need Your Help" Chief of Staff Pat

Do you have a list of members who live near but never come to a meeting? They pay their dues each year, they donate cakes for the bake sale, etc., but you do not KNOW them. I call them our **SATH** members – **Stay At Home Members**.

Would really like some ideas from you as to how to entice their participation. One example: find a place (city hall, museum, etc.) in town that would like a decorated Christmas tree. Pick a theme, such as red, white and blue, and ask every member to make a decoration. Pick the place and time and have everyone bring their decoration to decorate the tree. Maybe have coffee and cookies afterwards and ask each to talk about 'their' creation. Get to know one another and just maybe one or two might come to meetings. Worth a try.

You can probably come up with a better idea. Do it, share it and tell me about it!!!!

Some have mentioned they would like a better working relationship with their Post. Have you thought about challenging the Post to a Cornhole competition? Have teams, pick a date and maybe plan a pizza party afterwards. Of course, the losing group buys the pizza!

Think outside the box and have some fun. Again, I would like to hear your ideas, what you did and how fun it was.
