## DECORATION IDEA

There are as many ways to decorate with Buddy Poppies as there are auxiliary members with ideas.

At Fall Council, I had asked all the auxiliaries to bring along at least one example of a way they had used Buddy Poppies in their auxiliary.

The Auxiliary at Lemmon brought along this very creative cup and saucer “Buddy”. They set it on a black plate to set off the white saucer.

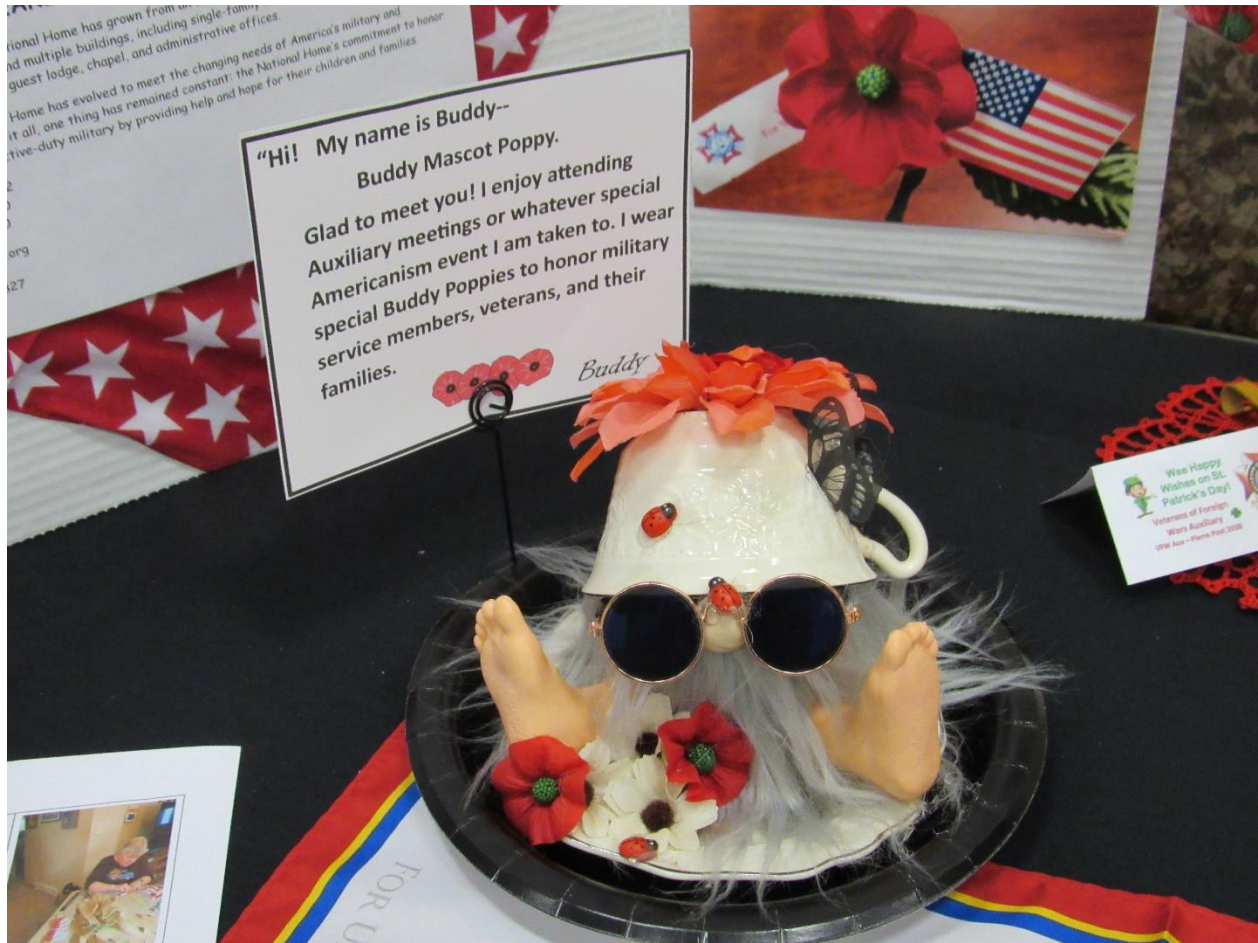

“Buddy”

In the close-up picture below, one can see how “Buddy” was put together.

Their explanation sheet that goes with “Buddy” says: “Hi! My name is Buddy...Buddy Mascot Poppy. Glad to meet you! I enjoy attending Auxiliary meetings or whatever

special Americanism event I am taken to. I wear special Buddy Poppies to honor military service members, veterans, and their families. Buddy”

Thank you, Lemmon Auxiliary, for sharing your great idea with the Department of South Dakota!
