

FALL COUNCIL REQUEST

For our School of Instruction at Fall Council this year, I am requesting each auxiliary to bring at least one example of how you used one or more Buddy Poppies on or for something.

It could be for decorations, cards, table favors, items for homebound/hospitalized veterans, posters, just simply anything that you used Buddy Poppy(s) for.

If possible, I would like to keep the items and share them throughout the year with our auxiliaries through this portal.

We aren't all the most creative people around. Sharing your ideas with each other will only help us come up with even more ideas of how Buddy Poppies can be used to help get our word out and support our veterans through donations received from Buddy Poppies.

If your auxiliary will not be represented at Fall Council, I would appreciate having an item(s) mailed to me to share. The other way it could be shared is to have a picture or pictures taken of your item and to email that to me. It should show exactly how it was used so others could use that idea.

Please put the name, number, and town of your auxiliary on the items, so that you receive proper credit both at Fall Council and later if it is included here.

Thank you, everyone!
