

# 2024 Christmas at the Capitol Theme is “Through a Child’s Eyes”

There’s Gnome one like our Veterans for Protection, Security and Peace on Earth!  
You Gnome How Amazing Our Veterans Are!

This year’s ornament template is a Patriotic Gnome, a magical being “through a child’s eyes” holding a sign with names of our True Peacemakers – Our Veterans!

Your auxiliary can choose what information to put on each ornament, such as: Veteran’s Name(s), Military Branch, Photo – You can put as much information as you wish, and any size type, anything to decorate your ornament, but it MUST FIT in the template, size of ornaments cannot be changed.

## Each Auxiliary is limited to 20 Ornaments.

Print on card stock and cut out. Laminating is advised to eliminate curling. Clear shelf paper works if no laminator is available. Be sure to cut around the ornament entirely after laminating it.

Your auxiliary information must be on the back.

**Don’t risk your ornaments not being displayed. Instructions must be followed completely!**

Two notebooks containing lists of names will be placed with the tree. Mail or email your entire list of veterans’ names and put an asterisk next to the names that will be on ornaments this year.

Email your list to: [dkmfahey@gmail.com](mailto:dkmfahey@gmail.com) I will print your list off for the books.

**Mail ornaments to me by Veterans Day, November 11:  
Deb Fahey, 406 South Polk Avenue, Pierre, SD 57501**

**Our tree, located on 3<sup>rd</sup> floor, will be decorated on  
Wednesday, November 27, 9:00 am.**

**This is after the Tree Lighting Ceremony on 11/26-7:00 PM**

Ornaments will not be mailed back. They will be available at State Convention. We cannot guarantee that they will not be damaged or taken from this public viewing.
