

Happy Valentine's Day everyone,

I hope everyone stays warm and healthy. I unfortunately caught an awful cold before our 9-day vacation in Florida. I am still fighting this cold; it can go away at any time. I thought it was better for me to stay away from people during our Legislative Conference Events this week. Thank you for sharing your pictures with me so that I can get them posted to Facebook.

I hope that all going to Fort Lauderdale, and Key West in Florida and Bimini in the Bahamas have a great time on the Mid Winter Cruise from February 9th to the 13th. Take lots of pictures, Pam and Sue!

Let's finish the year strong. Keep posting your pictures and talking to potential Auxiliary members. I look forward to seeing the pictures from all our February events this month. From bake sales to Bingo nights and more.

I had the pleasure of visiting the Iwo Jima Monument, Gulf War and Korean War Memorials in Cape Coral Florida at the Four Mile Cove and Echo Park and Pier. Fabulous place to visit the memorials, hike the nature path and walk out onto the pier!

I can always be reached for questions at danibolte@sio.midco.net, message me on Facebook or text to 6057591993.

Take care,

Dani Bolte
