**Welcome to the exciting world of maintaining your auxiliary history!!!
You are the keeper of recording your past and present.
We need to keep our story alive for the new members. Let them know who we
are and why we do what we do and where we have been!!**

I am Kim Vennard from Sioux Falls. I am very honored to be the SD chairman. I have been maintaining Webpage and Facebook page for the department. We are going to have some changes this year and an exciting program.

National Ambassador Teresa Stevenson has challenged all Auxiliaries to create a unique digital record of their Auxiliary history to be published electronically for the future members. So dig back in to your archives, interview your seasoned members. Make it Fun!! Make it Creative!! Make it Stand Out!!

**Historians are your record and memory keepers!!
When posting on Social Media or the webpage.. Make sure to
document the 5 W's ,,, (we learned them in grade school)!!**

ho?	Name the people in the photos
hat?	Describe the event
hen?	The date of event
here?	Location of the event
hy?	Reason for having the event

Just a little bit of added information makes your recording go from dull to interesting!!
How many times do you look at a post and say... "I wonder who that is??"
By posting names, now you can say, "THAT'S who that is!!" I wondered what they looked like!!

Always make sure to have a signed waiver to post photos on public platforms.
Waivers are available on the Historian Page in Malta.
