Here is a **LEGISLATION UPDATE!** Here are some of the bills we are looking to support. Please reach out to our legislators.

## **H.R. 303: Retired Pay Restoration Act**

2025-2026 Regular Session (119th)

Under current law disabled veterans with longevity retirement from active military service who are also in receipt of a Department of Veterans Affairs (VA) disability compensation of 50% or higher may receive both military retirement pay and their VA disability compensation, while excluding those with disabilities rated of 40% or less—creating financial inequities over time.

H.R. 303, the Retired Pay Restoration Act, extends the authority for concurrent receipt of military retired pay and veterans' disability compensation to retirees with service-connected disabilities rated 40% or less

## **H.R.1423 - Guard and Reserve GI Bill Parity Act of 2025**
