Hello everyone! Sorry I haven't got my letter out sooner. Life is crazy busy. I am putting on the website the South Dakota Legislative issues for the House and Senate. Please reach out to your legislators on these issues. I am also putting on the website my year end report. I'd really like to see how many contacts we can do with our legislators this year. If there is anything I can help with or you have any concerns with a veteran's issue please feel free to contact me.
