Hello Legislative Chairman! My name is Margaret Greenfield. I will be your Department Legislative Chairman for the ensuing year. I am a member of the Tomczak-Bartles VFW Post 1776 in Huron. I have been a member now for 39 years. I am looking forward to working with each of you.

This year I would really like to see the number of contacts we can get! Let's keep reaching out to our legislators on our veteran's issues.

Program Goals: VFW Priority Goals, Action Corps Weekly, Be an Advocate,
