Hello Legislative Chairman! I know we are getting closer to election time. Talk to all our legislators to include those running for office to see where they stand on veteran's issues. Remember to reach out to all our legislators by email, phone, letters, in person or town meetings about our veteran issues.

If you have not signed up for our Action Corps Weekly, please do. This has a lot of information.

Please keep communicating with our legislators on veteran's issues.

Program Goals: VFW Priority Goals, Action Corps Weekly, Be an Advocate,

Be Informed and Be Engaged
