Hello Legislative Chairman! I know we are just getting going on a lot of things. Have you thought about visiting veteran's or family members in nursing homes, assisted living homes or those that don't get out much about our veteran's issues. Please share the bills we are supporting with them. Reach out to our legislators by email, phone, letters, in person or town meetings about our veteran issues.

If you have not signed up for our Action Corps Weekly please do. This has a lot of information.

Please communicate with our legislators on veteran's issues.

Program Goals: VFW Priority Goals, Action Corps Weekly, Be an Advocate,

Be Informed and Be Engaged
