**Program Goals:** Be An Advocate, Be Informed, Be Engaged

The VFW and Auxiliary has a goal to improve the lives of our veterans, service members and their families through advocacy. It has been proven that by working together, we can continue to get things done while supporting our Veterans and the Community to achieve our goals.

We can focus on meeting our goals by:

- Building relationships with political and civic organizations geared toward young adults.
- Ensuring that legislative activities are nonpartisan.
- Getting creative.

VFW Priority Goals reflect the resolutions passed by the VFW to strengthen and ensure an adequate VA system for millions of current and future veterans. They call the much-needed attention to crisis such as veteran homelessness and suicide. In addition, they request fully funding research on traumatic brain injuries, reducing the claims backlog, fighting veteran unemployment and improving timely transition assistance for veterans after leaving military service.

*VFW Action Corps Weekly* features pending VFW-supported legislation. Please join in supporting legislative efforts by joining at <https://votervoice.net/VFW.register>.
