This Promotion I am reminding all Legislative Chairman and Auxiliaries about the challenge of signing up Auxiliary members and any Community members for the Action Corp Weekly. Remember that I will pay for your registration at the Legislative Conference in January to anyone who has the most signed up. Thank you to Paha Sapa Auxiliary #2730 for sending me the VFW Action Corp Weekly Challenge, already. They signed up 10 Auxiliary members and one of these members signed up by using the QR Code. How many of you will sign up more than Paha Sapa? How many of you will sign up Community members?

What about the get together with the Legislators has anyone started working on it? If you have, let me know and if you have questions please contact me. If you have not there is still time to do it.
