One of the goals of the Legislative Program is to have Auxiliaries to sign-up members from their Auxiliary and the Community to receive the Veterans of Foreign Wars Action Corp Weekly by email. The Action Corp Weekly has information on what the Veterans of Foreign Wars are doing in WashingtonDC to help our Veterans.

I am having a contest challenging all Auxiliaries to have a day where you invite Community members and Auxiliary members to an informative get together about the Action Corp Weekly. Please let me know when you are having this get together and I can come and help you out by informing the members about the weekly. I am including a form to be filled out by Auxiliary and Community members who want to receive the Action Corp Weekly. Also a QR code is on the sign up form for ones that want to sign up on their own.

Make sure whoever signs up does not already receive the Action Corp Weekly. If anyone who has signed up earlier to receive the Weekly and has not received an email for a while must sign up again.

This get together and the form must be sent to me by December 1, 2026.

If you have any questions please give me a call or email me.
