A VERY MERRY CHRISTMAS and Happy New Year!

Greeting Auxiliary Members:

The Department met our goal of 95% and will be receiving cash funds from National for this. We have thirteen auxiliaries at 100% or more. We are also setting at 95.75% and need 175 more paid memberships. Way to go TEAM AWESOME!

Our next goal is to hit 98% goal by February 28, 2026 and this will put us at the Silver Award.

Just a reminder that if a member's membership is not paid by December 31st they are no longer in Good Standing. I know it is a busy time for everyone but try to get these memberships collected. We have so many auxiliaries that only need 5 or less members to reach 100%.

Do you have a family member or friend that is hard to buy for? Why not get them a membership for the VFW Auxiliary!!!! What better way to get someone involved. If you have a friend or relative that has an unpaid membership why not pay the membership for them. Be a dues angel.

We have mailed out letters to all 118 at large members and asking them to join an auxiliary. I have gotten some transfers back and will get them forwarded to the auxiliaries. I also sent letters to all the auxiliaries in the Department so they can contact these members as well. Unfortunately, the letters returned for bad addresses is more than the transfers. We are going to work at trying to find these at large members.

Do not hold memberships that are paid please submit them via Malta or get them to Nancy Chester as soon as possible.

Also check out the Facebook page for daily updates on membership. The page is Historian/Media SD VFW Auxiliary Chairmen. I try and post each day.

Wishing you all a Very Merry Christmas and a Happy New Year. Thank you for all you do for the Auxiliary.

Loyally,

Pam Vissia
