

Membership Bulletin September 2025

The days are getting shorter and the morning sunrise is later each day. Summer is winding down.

Currently South Dakota is setting at 87.4% in membership and we have 518 unpaid members. Keep up the good work everyone and let us continue to work towards our goal of 95% by November 30th.

If you have not sent out dues reminders please do so as soon as possible and if you have it might be a good idea to send a second notice.

I am excited for our Fall Conference in Sioux Falls on October 4th. I am working on my presentation and ideas for everyone to help promote membership and get new members. If you want to come over for the day and attend them meeting and the program presentations you most certainly can do so. I am looking forward to seeing everyone next month and chatting on membership with you and sharing ideas with you and you sharing your ideas as well.

Remember if you need any help with your membership, I am here to help you out.

Have a wonderful September everyone and enjoy the fall days. It is the most beautiful time of the year.
