

Greetings Busy Bees:

I want to Thank President Karen for asking me to do membership again this year and I am excited to be working with our queen bee and all our honey bees. Let's have some fun with her theme: Bee a Veteran's Sunshine.

Let's bee buzzing around for membership and get our dues letters sent out. We can start sending out our notices on July 1, 2026. We had a great year last year and the last I checked we were at 101.75 for the year last year. Let's break that record this year. We have several deadlines to meet to reach the goals set by National.

I can't stress enough to everyone to try and get members that are annual members to go to life. Why not use an incentive of some sort to get them to go life.

We need to retain all our members and make them feel welcome and get them involved in our Bee Hives.

I am looking forward to attending National and meeting our ambassador and finding out all kinds of new things to share with you.

Get your dues letters mailed out this month. I always say the sooner you get it done the more time you have to work on new members.
