HOSPITALITIES

Suites are available on a first come first served basis. Some hotels will have a very small amount available as the majority of their suites are currently in use. You may connect with Janet jgagne@caesars.com via email regarding any rates, availability, and any other hospitality arrangements.

Please review the hotel's rules and regulations with your hotel contact, including its smoking and liquor policies. Additionally, we recommend that, given recent changes throughout the insurance industry, you ensure your insurance adequately covers any and all hospitality suites you host and that you are in compliance with any rules or regulations concerning the serving of liquor.

If you need to know the amenities for your hotel, you will find that on their individual website.

DEADLINE

Reservations must be made by phone or online by June 15, 2026. Reservations received after this date will be subject to availability. Please note ALL Department guestrooms will be held in a

Any information specific to the Convention will be located on the website. Please check it periodically for updates. It will be live March 18, 2026.

IMPORTANT NOTE: Over the last few years we have incurred a cost due to the Departments dropping their guestrooms past the cutoff date. In order to offset these charges, we will not be distributing complimentary room nights to the departments that are given to us because of our pick-up achievement. These will now be distributed back to National as a credit to our overall bill.
