July 2026

If you do anything within your auxiliary it more than likely will fall under the Veterans & Family Support Program. It is the reason we do what we do. Remember – everything we do as an Auxiliary at every level is to support Veterans and/or their families, now you just have to report it and that is the easiest part.

I would like to thank President Karen for asking me to be the chairman for Veterans & Family Support. It is very near and dear to my heart and an important program and I'm very honored! So lets Rock it this year!

I'm Tammy Chase from Sisseton, South Dakota. I work full-time at an insurance agency in Sisseton. My husband served in the National Guard for 21 years and retired from the State DOT in February. I'm very involved in volunteering. I volunteer for the South Dakota National Guard Family Program, National Guard Bureau Volunteer Training Team (VTT), local organizations in Sisseton both military and civic.

Starting in August we will talk about our program and what we support. Do you know what NVS and MAP's are? We will talk about them and other goals we want to accomplish for the year. I will also have a special program that I will talk about every month – to be announced in the August Program notes.

Lets work together and ROCK THIS YEAR!
