VFW Auxiliary has a unique opportunity to help teach our youth the skills to become responsible adults by serving our country, communities and veterans. Today's youth are the future of our nation.

A new generation of veterans are in our communities and they need the support of family, friends and country as they serve overseas and when they come home from conflicts abroad. Youth play an important role in our future. Encourage involvement from an early age in all Auxiliary Programs.

Working together by sponsoring a youth group and engaging youth in any one of our programs to include activities honoring our veterans or to assist our service members and their families.
